

United States District Court

EASTERN DISTRICT OF TEXAS
SHERMAN DIVISION

UNITED STATES OF AMERICA,	§	
	§	Criminal Action No. 4:20-CR-231
v.	§	(Judge Mazzant/Judge Nowak)
	§	
DAVID LEE JONES (1)	§	

MEMORANDUM ADOPTING REPORT AND RECOMMENDATION OF UNITED STATES MAGISTRATE JUDGE

Came on for consideration the above-referenced criminal action, the Court having heretofore referred the request for the revocation of Defendant David Lee Jones's ("Defendant") supervised release to the United States Magistrate Judge for proper consideration. The Court has received the Report and Recommendation of the United States Magistrate Judge pursuant to its order. Defendant having waived allocution before the Court as well as his right to object to the report of the Magistrate Judge, the Court is of the opinion that the findings and conclusions of the Magistrate Judge are correct.

It is therefore **ORDERED** that the Report and Recommendation of United States Magistrate Judge is **ADOPTED** as the opinion of the Court.

It is further **ORDERED** that Defendant's supervised release is hereby **REVOKED**.

It is further **ORDERED** that Defendant be committed to the custody of the Bureau of Prisons for a term of eight (8) months, with a term of supervised release of twelve (12) months to follow.

The Court further recommends the imposition of the special conditions set forth in the Report and Recommendation, as follows:

You must provide the probation officer with access to any requested financial information for the purpose of monitoring efforts to obtain and maintain lawful employment and income as well as payment of restitution.

You must participate in a program of testing and treatment for substance abuse, and follow the rules and regulations of that program, until discharged. The probation officer, in consultation with the treatment provider, will supervise your participation in the program. You must pay any cost associated with treatment and testing.

You must participate in any combination of psychiatric, psychological, or mental health treatment programs, and follow the rules and regulations of that program, until discharged. This includes taking any mental health medication as prescribed by your treating physician. The probation officer, in consultation with the treatment provider, will supervise your participation in the program. You must pay any cost associated with treatment and testing.

You must make all court-ordered child support payments on a timely basis, producing proof of payment to the probation officer within the first 5 days of each month, whether as part of a written report required by the probation officer or otherwise.

You must not incur new credit charges or open additional lines of credit without the approval of the probation officer unless payment of any financial obligation ordered by the Court has been paid in full.

The Court also recommends that Defendant be housed in the Bureau of Prisons facility in North Texas, if appropriate.

IT IS SO ORDERED.

SIGNED this 24th day of September, 2021.

AMOS L. MAZZANT
UNITED STATES DISTRICT JUDGE
